SEALED TENDERS, marked "Tender for Bridge Project 985—Halfway River Bridge, Contract 3: Deck," will be received by the Department of Highways at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Wednesday the 2nd day of June 1976, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Build-

ing, Victoria, B.C., which is open from 8 a.m. to 4 p.m., Monday to Friday, except holidays.

The contract consists of the construction of 443 feet of reinforced-concrete deck and the painting of 450 tons of steelwork.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3 (telephone 294-4711), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

A limited number of full-size drawings (stock not replenishable) are also available at an additional fee of \$10 payable to the Minister of Finance and not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction."

If the bidder does not already have a copy of these specifications, one may be obtained from the Department of Highways, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in accordance with clause (a) or clause (b) below:

(a) Where the total tender price exceeds \$100,000 a surety bid bond in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. The surety bid bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so.

(b) Where the total tender price is less than \$100,000 a surety bid bond or a certified cheque in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended,

or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
